Your affiant conducted an investigation and received the following information:

On September 30th, 2018 at 1317 hours Des Moines Police Dispatch received numerous calls in regards to a shooting which had taken place in the 1200 block of E. 13th St. in Des Moines, Polk County, Iowa. Callers reported that a person had been shot and was in a white car parked along the street. As a result numerous Des Moines Police Officers as well as Des Moines Fire Department Medics responded to the scene and located the victim, identified as Aaron Ross, on the ground near the front passenger's side door of a white 2000 Ford Contour with VIN: [REDACTED]. There were no license plates affixed to the vehicle.

As officers arrived on scene they located witness [REDACTED] who had been present in the driver's seat of the vehicle when the shooting occurred. [REDACTED] identified herself as Aaron Ross' girlfriend whom they share three children with. It was also learned that two of the victim's children, [REDACTED] and [REDACTED], were also present in the backseat of the vehicle during the time of the shooting.

At that time emergency life saving measures were attempted and Aaron Ross was transported to Mercy Hospital in Des Moines. Once at the hospital Aaron Ross then succumbed to the gunshot wounds he suffered and died.

During this time numerous witnesses had made themselves known and stated that the shooter possibly ran to the east along the south side of 1221 E. 13th St. A K-9 track was then started by Des Moines Police Officers *Aaron Cawthorne and Chase Lohnes*. During the track which went along the south side of 1221 E. 13th St. a black and green men's bi-fold wallet was located in the backyard of 1221 E. 13th St. The wallet was lying on top of tall grass and did not appear to be wet even though it had been raining off and on throughout the day. The wallet was then marked for evidence. The K-9 track continued however was unsuccessful in locating the suspect.

Your Affiant, *Detective Jeffrey George*, had heard this call on the radio and responded directly to the scene to assist with this investigation. Upon Your Affiant's arrival at the scene I observed the white Ford Contour parked along the east side of the street, facing north, in front of 1225 E. 13th St. I then observed that the glass from the front passenger's side door had been broken out and blood on the front passenger's side seat. A black and grey Apple iPhone with blood on it was observed on the ground slightly to the east of the vehicle. Numerous spent bullet casings belonging to a .357 Sig round were also observed near the front of the vehicle.

Your Affiant then observed the wallet which was located in the backyard of 1221 E. 13th St. The wallet was then observed to have an Illinois Driver's license belonging to Tyrone Hughes Jr with a date of birth of December 24th, 1989. Tyrone Hughes was listed as a black male, 5'08" tall and weighing 150 pounds with an address of [REDACTED]. During this time numerous witnesses were identified and transported to the Des Moines Police Station for further interviews in regards to their observations.

Your Affiant then conducted a recorded interview with [REDACTED] at the Des Moines Police Department. [REDACTED] stated that she had been contacted by Aaron Ross around 0800 that morning to come pick him up in the 1200 block of E. 13th St. which she subsequently did. [REDACTED] provided the phone number of [REDACTED] as belonging to her and the number that Aaron contacted her on. They then ran some errands which took a couple of hours. At that time [REDACTED], Aaron, [REDACTED], and [REDACTED] then returned to the 1200 block of E. 13th St. in order to drop Aaron off. All four of them were seated in the vehicle for approximately 10 to 15 minutes as Aaron and [REDACTED] were talking. At that time [REDACTED] stated she observed a skinny male approximately 5'8" tall with a white sweatshirt that had black lines, black pants, and white shoes that had a "sparkle" walk around a tree which was located to the east of the vehicle, produce a black handgun, and begin shooting into the vehicle striking Aaron Ross.

██████████ stated that she then ducked for cover until the shooting stopped. At that time she observed the suspect running east along the south side of 1221 E. 13th St. ██████████ also stated that nothing was taken from Aaron or her vehicle by the suspect.

██████████ stated that Aaron had been staying with ██████████ who lives in a house ██████████ which is located one block to the east of the 1200 block of E. 13th St. Aaron and ██████████ also have a child together. ██████████ stated that Aaron had been in contact via his cell phone with ██████████ prior to the shooting. Additionally ██████████ provided the phone number of ██████████ as Aaron's phone number.

During this time *Detective Brad Youngblut* conducted a recorded interview with witness ██████████ who resides at ██████████ in Des Moines. ██████████ stated she was in her room which has an east window that faces E. 13th St. ██████████ heard gunshots and looked out to observe a male with a gun shooting into the vehicle. ██████████ described the shooter as a black male with a white and black hooded sweatshirt that had a distinct line between the two colors. The suspect then ran to the east along the south side of 1221 E. 13th St. While doing so the suspect's hood came down and ██████████ observed him to have short twists in his hair.

At this time Your Affiant researched Tyrone Hughes Jr but found no information in Iowa for a person by that name. Polk County Attorney John Sarcone then approved a material witness warrant for Tyrone Hughes which was signed by Polk County Judge Porter. This was then entered into NCIC.

Detective Brad Youngblut then searched social media website Facebook and located a page with the user name Tyrone Hughes from Chicago Illinois. The URL was ██████████. Your Affiant then compared the driver's license photograph of Tyrone Hughes found in the wallet behind 1221 E. 13th St. to the photographs on the Facebook page belonging to Tyrone Hughes and confirmed that they were the same person. As officers began to look at the open source Facebook page of Tyrone Hughes a photograph showing a Snapchat Inc. handle with username ██████████ This photo was uploaded on November 11th, 2015. A second photograph showing a Snapchat Inc. handle with username ██████████ was also observed. This photograph was uploaded on November 3rd, 2015. Additionally numerous photographs on this Facebook page depicted Tyrone Hughes displaying gang signs and holding various firearms.

At approximately 1932 hours on September 30th, 2018 Detective Youngblut then searched the Snapchat Inc. accounts ██████████ and ██████████ Under the Snapchat Inc. account of ██████████ (vanity name ██████████) two videos were observed. One video showed it was from 19 hours ago which would have been approximately 2330 hours on September 29th, 2018. The video showed two black males, one of which appeared to be Tyron Hughes, inside of a strip club and was approximately 11 seconds long.

The second video showed it was from 10 hours ago which would have been approximately 0930 hours on September 30th, 2018. In that video a black handgun is observed on a towel which is on a table. The video author then states "Hey no though, real ██████████ though, you know the night was live though when you wake up and the ██████████ glizzy still just sitting there. Wish a ██████████ would touch my gun". During this time the video author is zooming in and out on the firearm. In the second Snapchat Inc. video it appears to have been filmed from an upstairs area looking down to a lower level. The room is very basic and appeared to be a motel or hotel room as opposed to a private residence. These video were then recorded for evidentiary purposes.

The Snapchat Inc. account for username ██████████ was searched but did not appear to be operational at this time.

During this time *Detective Jeff Shannon* then conducted a recorded interview with ██████████ provided the phone number of ██████████ as her phone number. In summary ██████████ stated that she and Aaron Ross have a child together and that he had been sleeping at her residence. ██████████ stated that she resides at ██████████ which is located on block to the east of the 1200 Block of E. 13th St. ██████████ stated that at the time of the murder she was with a friend identified as ██████████ picking up ██████████ sister ██████████ and another female whom she knew as ██████████ from the Quality Inn Motel located at 4950 NE 14th St. in Des Moines, IA. Additionally it was learned that ██████████ owns a black 2007 Nissan Murano SUV with VIN: ██████████.

Your Affiant then did search Facebook.com for Aaron Ross. Two Facebook accounts were identified as belonging to Aaron Ross. The first account has user name [REDACTED] with a nickname of [REDACTED] and URL [REDACTED]. The photographs on this account were that of Aaron Ross and the user had a listed birthday of [REDACTED] which is that of the victim Aaron Ross. The second account identified has a user name of Aaron Ross with a nickname of [REDACTED] and a URL of [REDACTED]. The photographs depicted on that page are that of victim Aaron Ross and there is a listed birthday of [REDACTED].

A Facebook account for [REDACTED] was identified as having username [REDACTED] and URL [REDACTED]. The photographs of the user are that of [REDACTED] and the listed birthday of the user is [REDACTED] which is [REDACTED] birthday.

A Facebook account for [REDACTED] was identified as having the username [REDACTED] and URL [REDACTED]. The photographs of the user are that of [REDACTED] and the listed birthday of the account user is [REDACTED] which is [REDACTED] birthday.

Your Affiant then did retrieve the wallet which was located behind 1221 E. 13th St. from CSI technicians. The wallet was then searched at which time the Illinois Driver's license for Tyrone Hughes Jr was observed once again. Additionally a social security card for Tyrone Hughes showing social security number [REDACTED] and a Visa Debit card with the name Tyrone Hughes affixed on it was observed.

Other cards were also observed in the wallet to include two Visa debit cards for [REDACTED]. Your Affiant then researched that name and found a local address of [REDACTED] in Des Moines, IA. At that time Your Affiant then did go to that address and spoke to [REDACTED] who stated that [REDACTED] did not live there but does receive mail there. Your Affiant then left his business card with James.

On October 1st, 2018 when Your Affiant returned to work he received a voicemail from [REDACTED] where he eluded to the fact that he assumed I was wanting to speak him in reference to "what happened yesterday" and that his bank card had been stolen. [REDACTED] was called back and agreed to come for an interview at the Des Moines Police Station. Your Affiant then conducted a recorded interview of [REDACTED]. [REDACTED] stated that he had been robbed on September 24th, 2018 and that his cell phone, house key, bank cards, and \$2,500.00 cash were taken. [REDACTED] stated that he had made arrangements to purchase marijuana from a black male he knew as [REDACTED]. [REDACTED] later stated that [REDACTED] real name was [REDACTED] and that [REDACTED] was from Chicago. [REDACTED] stated that he had contacted by [REDACTED] via his cell phone and that [REDACTED] had a California phone number however [REDACTED] did not have it as his phone was taken in the robbery.

After arrangements were made to purchase the marijuana [REDACTED] was outside and observed [REDACTED] drive by in a black Nissan Murano with Iowa license plates. [REDACTED] was speaking with [REDACTED] on the phone at that time and [REDACTED] denied being in a Nissan to [REDACTED] and stated he was in a Mazda. At that point [REDACTED] observed a newer black Mazda SUV with Illinois license plates approach him. Two males exited the vehicle. The first male was described as a bigger black male with dreads who was darker skinned and muscular. The second male was described as a black male approximately 5'6" tall with tattoos. This male had a black handgun in his possession and used it to rob [REDACTED] of his possessions.

Additionally on October 1st, 2018 at approximately 1910 hours a third Snapchat Inc. video was observed from the account of [REDACTED] by Detective Youngblut. That video showed it was from 18 hours ago which would have been approximately 0100 hours on October 1st, 2018. In the video there is a "filter" which says "Chicago". Through previous experience with Snapchat it is known to your affiant that these filters are typically geographically located based on a user's location meaning that the user was in the vicinity of Chicago Illinois. In this video the author is filming a marijuana blunt being rolled and states "Finally man back in the [REDACTED] city where I can get some real gas, real dope, real woods". The video is approximately 10 seconds long.

On October 2nd, 2018 a *Confidential Informant* (from now on referred to as CI) came forward stating he had personal knowledge of [REDACTED] in regards to the murder of Aaron Ross. At that time Your Affiant then met with the CI and spoke with him. The CI stated that [REDACTED] lives in Chicago but that he frequents Des Moines in order to rob various drug dealers. The CI stated that he observed [REDACTED] with a black handgun in prior to the murder and that Jahmal was accompanied by two other black males whom he identified one as [REDACTED] of Chicago. The CI did not know the identity of the third person but described him as a shorter black male with

short facial hair. The CI observed these individuals to be in a smaller black Mazda SUV with Illinois license plates.

The CI then stated that [REDACTED] had a phone number of [REDACTED] which [REDACTED] had provided to him. It should be noted that area code [REDACTED] belongs to the Stockton California area corroborating what [REDACTED] had stated in regards to [REDACTED] phone number. The CI then stated that the motivation for the murder stemmed from old gang ties that Aaron Ross has in Chicago. In summary Aaron belonged to the [REDACTED] gang sub faction and [REDACTED] belongs to the [REDACTED] gang sub faction which are rivals and operate around the area of 63rd St. and Cottage Grove Ave. in Chicago. Additionally the CI showed the Facebook page with username [REDACTED] with URL [REDACTED] to Your Affiant. The CI stated that [REDACTED] was essentially the leader of the [REDACTED] gang. The CI also stated that [REDACTED] cousin has a child with [REDACTED] however he did not know the cousin's name.

The CI then described the details of his interactions with [REDACTED]. Your affiant then corroborated the CI's statements in reference to his interaction with [REDACTED] through security camera video.

Your Affiant was then advised by Des Moines Police *Detective Terry Mitchell* that he had spoken to [REDACTED] whom is [REDACTED]. [REDACTED] told him that there was a Facebook account by the username [REDACTED] which had posted a comment along the lines of "[REDACTED] still be alive if y'all wasn't juicing him". The post was then deleted a short time later. [REDACTED] told Det. Mitchell that she believed this comment to be in reference to Aaron being killed. Two Facebook accounts were located and found to have the URL's of [REDACTED] and [REDACTED]. Both accounts show the same profile picture. The account with the URL of [REDACTED] lists the home city as Chicago Illinois. There are no other Facebook accounts by the name [REDACTED] other than these two when a search of that name is conducted on Facebook's website. The identity of the user is unknown at this time.

Your Affiant then contacted [REDACTED] and spoke with her over the phone on a recorded line. [REDACTED] stated she was slightly intoxicated as I spoke with her. [REDACTED] stated that she had observed a Facebook post that stated something along the lines of "[REDACTED] still be alive if y'all wasn't juicing him" however she did not know what that meant. [REDACTED] then stated that the post had been deleted. She then stated could not remember the name of the Facebook account which had made that comment.

On October 3rd, 2018 Your Affiant and Detective Shannon then went to the Quality Inn at 4950 NE 14th St. and reviewed security video as [REDACTED] had stated she picked up her sister [REDACTED] and another female from that location around the time of the murder. Security video showed a white Toyota Camry which is known to be [REDACTED]'s vehicle, arrive and two females get into the back seat at 1302 hours on September 30th, 2018. This was 15 minutes before the first 911 call for the shooting was received.

At this point in the investigation Your Affiant had learned that [REDACTED] had been visited by [REDACTED] numerous times while he was incarcerated in the Iowa Department of Corrections. [REDACTED] was listed as a spouse at one point. This information was obtained through prison visitor logs. Your Affiant then reviewed the Quality Inn security video and observed that on September 29th, 2018 at approximately 1404 hours [REDACTED] and another female were dropped off by a newer black Mazda SUV by [REDACTED]. In this video there is a front seat passenger who appears to be wearing a white shirt with a black line.

At this point Your Affiant began to investigate the Snapchat Inc. videos belonging to Tyrone Hughes further. From personal experience Your Affiant believed that the hotel room shown in the second video may be at the Sterling Hotel and Suites located at 11428 Forest Ave in Clive, Iowa. Detective Shannon then went to that location and found that [REDACTED] had rented room [REDACTED] there on night of September 29th, 2018 and checked out on September 30th, 2018. Furthermore Detective Shannon then went room [REDACTED] and confirmed that the room was the same as what was shown in the Snapchat Inc. video.

Detective Shannon then reviewed the security video for the Sterling Hotel and Suites. Through videos it shows [REDACTED] checking into the hotel at approximately 1611 hours on September 29th, 2018. Jahmal is driving a black Mazda CX-5 SUV with Illinois license plates. As the SUV parks three individuals can be seen exiting the

Mazda CS-5. One is [REDACTED] The second individual is a shorter, skinny black male wearing a white and black hooded sweat shirt with the hood up. From the front the sweat shirt is white on top and black on the bottom. On the back the sweatshirt is primarily white with black writing and black lines. This individual matches the description of the shooter in this murder investigation and is believed to be Tyrone Hughes. The third individual is a tall stocky black male with dreads and was identified as [REDACTED].

After reviewing additional security footage from the hotel [REDACTED] and the third individual are observed leaving their room at 1130 hours on September 30th, 2018. In that video the person believed to be Tyrone Hughes is wearing the same white and black hooded sweatshirt with a black baseball hat. In the Snapchat Inc. video from Tyrone Hughes account he is wearing a similar black baseball hat. The three individuals then go to the black Mazda CX-5 and open the rear hatch to place their bags inside. After the bags are placed into the vehicle [REDACTED] then produces what appears to be a black handgun from the front of his waistband and placed it under the mat in the rear compartment of the vehicle. They then enter the vehicle and leave. It should be noted that this takes place approximately one hour and forty five minutes before the murder takes place.

On October 4th, 2018 Your Affiant then went to the listed address of [REDACTED] which was [REDACTED] in Des Moines, Iowa. [REDACTED] was not home however her mother, [REDACTED], provided the phone number of [REDACTED] for [REDACTED]. [REDACTED] also stated that [REDACTED] is a half-sister to [REDACTED] as they share the same father. [REDACTED] is also cousins with [REDACTED]. Your Affiant then called that number and spoke with [REDACTED] on the phone. [REDACTED] stated that she was in Des Moines for the weekend and was with [REDACTED] when she received notification that Aaron had been shot. [REDACTED] stated that she had gone out for drinks at the Outer Limits strip club located at 6560 NE 14th St. in Des Moines, Iowa. When asked about [REDACTED] [REDACTED] stated that she had dated him in the past but had not seen him for years contradictory to the security video footage from the Quality Inn which showed [REDACTED] dropping her off. [REDACTED] was not confronted about this at this time. Airianna then stated her friend whom she had stayed with was named [REDACTED] and provided a phone number for her.

A Facebook search for [REDACTED] was then conducted and a page with the username [REDACTED] ([REDACTED]) with URL [REDACTED]. This page was confirmed to be that of [REDACTED] through photos posted by the user which depicted [REDACTED]. Additionally the listed birthday on that account is [REDACTED] and Airianna's is [REDACTED]. A second Facebook page for [REDACTED] was then located under the username [REDACTED] with URL [REDACTED]. Photos on that page posted by the user depict [REDACTED] and the listed birthdate of the user is [REDACTED]. Through this investigation it was discovered that [REDACTED]'s stage name is "[REDACTED]".

Your Affiant then received a phone call from [REDACTED] from the phone number [REDACTED] and spoke with her over the phone. [REDACTED] stated that she and [REDACTED] had been picked up by [REDACTED] and a white girl just prior to [REDACTED] receiving the phone call that Aaron had been shot. When asked about how she had gotten to the Quality Inn on Saturday September 19th, 2018 [REDACTED] stated that she and [REDACTED] had been dropped off by 3 black males who are friends of [REDACTED]. [REDACTED] then stated that one of the males names was "[REDACTED]" and that the front passenger was a short, thin, light skinned black male. [REDACTED] then stated that they went out for drinks with the two males later in the evening at the Outer Limits strip club. [REDACTED] additionally stated that [REDACTED] goes by the stage name "[REDACTED]".

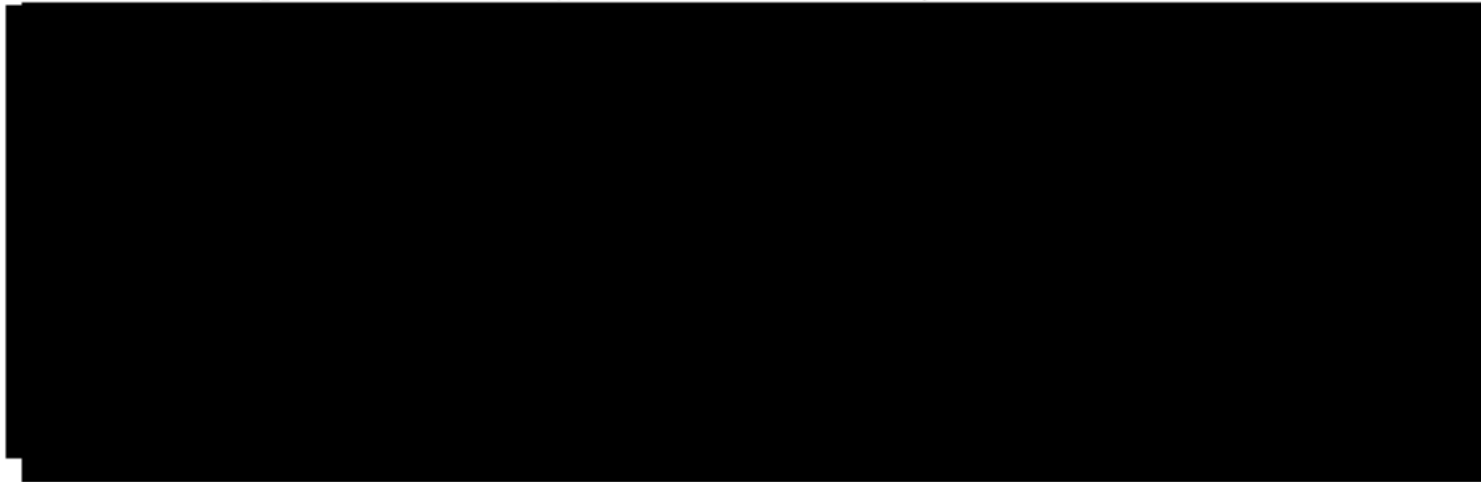

On October 5th, 2018 Your Affiant then went to the Outer Limits strip club and reviewed security video footage from the night of September 29th, 2018 and early morning of September 30th, 2018. In those videos [REDACTED], [REDACTED] and [REDACTED] are observed arriving the establishment at approximately 2331 hours on September 29th, 2018. In those video's Tyrone Hughes's face is clearly visible and he is wearing the same white and black hooded sweatshirt observed on the male from the Sterling Hotel video and as described by witnesses to the shooting.

Your Affiant then took two still photos of Tyrone Hughes from the Sterling Hotel where he wearing the white and black hooded sweatshirt and showed them to witness [REDACTED]. [REDACTED] positively identified the photo that showed the front of the hooded sweatshirt as the person she observed shooting Aaron Ross.

On October 8th, 2018 while doing further research on Facebook.com Your Affiant identified the page with username [REDACTED] with URL [REDACTED] as also belonging to Aaron Ross. This was confirmed by photos posted by the user which show Aaron Ross and the listed birthday for the account user is [REDACTED] which is the same birthday as Aaron Ross.

The investigation, led by Your Affiant, has yielded information identifying the following Facebook.com accounts as being relative and material in regards to this investigation:

Based on this investigation as well as my training and experience, it is your affiant's opinion that evidence related to this shooting investigation may be located on the above listed www.facebook.com accounts. It may provide evidence which tends to identify other persons who may have knowledge of or were involved in the commission of the homicide of Aaron Ross, and/or it may tend to corroborate information given by witnesses. I further know persons involved in criminal activity will often attach photographs, writings, and other information on social networking sites such as www.Facebook.com and also use such sites to communicate by way of email, chat room, blog and private messaging with regard to their criminal activity and criminal conduct. As a result, it is your affiant's further belief the above-described www.Facebook.com accounts will likely contain photographs, writings, information, and communication evidencing their involvement in this investigation.

Your affiant has been a Des Moines Police Officer since 2012 and has been assigned to the Des Moines Police Department's Investigations Division since December of 2017. Your affiant has a Bachelor's Degree in Law Enforcement and Justice Administration from Western Illinois University and attended a twenty two week long training academy at the Des Moines Police Department's Regional Academy in 2012. Since that time Your Affiant has attended numerous training courses in regards to criminal investigations.

CONTINUED AFFIDAVIT FOR SEARCH WARRANT ATTACHMENT A

I know that persons involved in illegal crimes will often attach photographs, writings, information, and communicate by email, chat room, blog, and private messaging with regards to criminal conduct. I know that this type of information is routinely kept for extended periods of time and that the above-described activity is consistent with the use of computers and www.Facebook.com. I know that this warrant is necessary to retrieve the sought information and no other manner of investigation will allow law enforcement to obtain the sought after information. I know that the IP logs, date and times of login, subscriber information, private message information in the user's inbox, trash and sent mail locations, as well as the date any profile was created, email addresses, zip code of the user, any names given, or digital photographs or video clips provided will assist in identifying those depicted via ww.Facebook.com and who may be involved in the distribution of controlled substances as outline above.
